THE GREAT ICE STORM

PART 1

WINGS OF FIRE

THE GREAT ICE STORM

one day when the war is nearly Gone an animus will make fire
Disappear from this land Unless the dragonets come before the war and
stop it to save us from this ice Curse to come. One sea wing, one mud
wing, one sand wing, one rain wing, and one night wing.

Fan-made!!

Chapter 1

Storm Destroyer the night wing and Coal the mud wing went to the library to study the other tribes. Coal did not like scrolls only Storm really liked scrolls. After, they all had dinner coal ate 3 cows before Storm got halfway through one of his scrolls. The rain wing returned to being visible only when she ate then after She goes invisible again her name is Dart Spit. Then after dinner, they all Gathered up and the sea wing told them her escape plan and how it was too risky but they all agreed to do it to escape their prison it was The same place the first Pair of dragon nets lived when they escaped they saw a sky wing Patrol and then the sky wing Palace.

Chapter 2

The night wings hid their home again so we got as close as we could to the ice Palace and found a fleet of night wings Slowly getting closer to the ice palace every day as the cold and the ice wings are Slowly chipping away at them. Then one day We figured out that the night wings had an animus and they were plotting to make themselves immortal to ice. When they almost succeeded in conquering the Ice Palace but failed. Our night wing started having visions. About what would happen next. Not much time left to stop the war but how.

Chapter 3

The next day we pleaded with them not to take all the fire just to at most Just temporarily take away the night wings' powers. We did this for days and days until the day The animus would give his gift to The tribe. The day we will live or die.
